

**CALL FOR GRANTS TO FINANCE PRE-DOCTORAL CONTRACTS AT THE
UNIVERSITY OF SALAMANCA**

CV TEMPLATE - SUPERVISOR

Name:

Department:

Research project supporting the application:

REQUIREMENTS (at least one of these five must be accredited; tick the appropriate one in the box on the left and enter the corresponding information in the table, together with documentary proof in the attached document):

	Have at least one recognised six-year research period (<i>sexenio</i>), of which at least one period is included within the last seven years.
	Be or have been, in the last five years, the principal investigator of a research project funded by a competitive public call.
	Be the author or co-author in the last six years of at least five scientific articles published in journals included in the Journal Citation Reports (JCR) or five relevant contributions (articles in scientific journals, monographs, or book chapters), always in accordance with the criteria for the corresponding scientific field of the National Commission for the Assessment of Research Activity (CNEAI), the Quality Assurance Agency for the University System in Castilla y Leon (ACSUCYL) or the National Agency for Quality Assessment and Accreditation of Spain (ANECA). For publications, the author must accredit their affiliation with the University of Salamanca (if the author has not had a contractual relationship with the University of Salamanca during the last six years, they must only prove their affiliation from the moment they joined the University).
	To have supervised in the last six years a doctoral thesis that has given rise to at least two publications in journals included in the Journal Citation Reports (JCR) or relevant contributions (articles in scientific journals, monographs, or book chapters), always in accordance with the criteria for the corresponding scientific field of the National Commission for the Assessment of Research Activity (CNEAI), the Quality Assurance Agency for the University System in Castilla y León (ACSUCYL) or the National Agency for Quality Assessment and Accreditation of Spain (ANECA).
	Any other requirement that, due to the specificity of the scientific field of the doctoral programme, does not correspond to any of the above and may be considered to be relevant from the perspective of research by the Academic Committee.

**** The size of the table can be modified to include as many merits as desired in each of the sections. No new sections may be included.**
