DECLARATION OF ABSENCE OF CONFLICT OF INTERESTS (DACI)

In order to guarantee impartiality in the above-referenced grant procedure, the undersigned, as participants in the process of preparing and processing the file from the recipient organization, **DECLARE:**

FIRST: To be informed of the following:

- 1. That Article 61.3 "Conflict of interests" of Regulation (EU, Euratom) 2018/1046 establishes that a conflict exists when the impartial exercise is compromised for family, emotional or economic reasons.
- 2. That Article 64 of Law 9/2017 on Public Sector Contracts aims to avoid any distortion of competition and guarantee transparency.
- 3. That Article 23 "Disqualification" (Abstención) of Law 40/2015 establishes that authorities and personnel must disqualify themselves if they have personal interest, matrimonial bonds, close friendship or professional relationships within the last two years.

SECOND: That they are not involved in any situation that could be classified as a conflict of interests.

THIRD: That they commit to bringing to the attention of the evaluation committee, without delay, any future situation of conflict.

FOURTH: I am aware that a false declaration will carry disciplinary, administrative, and judicial consequences.
